Our Mission

Our mission is to instruct students on how to become the safest commercial driver possible. Students will be placed through rigorous, real-world training that will allow them to safely and comfortably begin their commercial driving career.

What's Included:

T Enterprises provides all driving and technical expertise to obtain your Commercial Driver's License (CDL) through 160 hours of State required training (see cost sheet for hourly breakdown). All appointments are made for students.

Schedule:	Days:	Mon - Fri 7:30 - 4:30	21 Days (5 Weeks)
	Nights:	Mon - Fri 5:00 - 9:00	42 Days (8 Weeks)

Overview

Students start in the classroom as instructors walk them through a complete oral reading of the CDL manual, watching training videos, and taking practice exams to prepare them for the State written exam. Endorsements covered include: *Class A CDL License, Air Brakes, Tankers, Doubles*. Additional endorsements offered include Hazardous Material and Passenger/School Buses.

After classroom, students begin basic practice driving and backing techniques on 6/7 speed semi-tractors and trailers and work their way up to 10/13 speed transmissions. All driving practice is with *two students and one instructor*.

Students spend three weeks of the course practice shifting, filling out log books, pre-trip inspections and hooking/unhooking trailers. *85% of all driving is in-town or on two lane roads within 100 miles of Pasco.*
